

**Fremont Open Space Meeting Minutes  
Tuesday April 18, 2006**

**DRAFT MINUTES**

Present: Jessica Lubowsky, Larry Lubowsky, Matthew Thomas, Jack Karcz and Janice O'Brien

Meeting called to order at 7:10 by Janice O'Brien

Motion was made by Jack to amend the minutes of the April 4, 2006 by replacing paragraph 6 with the following:

“The committee discussed certain areas for possible consideration.”

Motion seconded by Jessica. After discussion it was determined that this was a better reflection of what had actually occurred. Motion passed.

Janice presented a photograph showing what type of sign the Forest Society posts at many of its conservation areas. Mike Speltz of SPNHF has indicated that SPNHF may be able to help us create a similar sign for Glen Oaks at a reasonable cost.

After discussion it was agreed that we should pursue this, Janice will contact Mike Speltz and get an estimate for a similar sign.

Next discussion was regarding an “Opening Ceremony” for Glen Oaks, once a sign has been made and installed. A suggestion was made that we could possibly incorporate Geo cache into this. Larry and Jessica stated that they had some experience with this and would be willing to help out if the group decided to do something along those lines.

It was agreed that we needed someone to volunteer to coordinate the event, there were no volunteers at this time. We will revisit this at our next meeting.

NROC team had its first meeting on Monday April 10. There were representatives from UNH Cooperative Extension, Rockingham Planning, New Hampshire DES as well as members from Conservation, Open Space, Planning Board, Board of Selectman and ZBA, along with interested residents in attendance.
